*“ Apparo has a broad vision and high level of passion for serving other nonprofits. It is extremely rewarding to be able to volunteer to support their staff and further their mission, to allow them to extend their service to more nonprofits. Being someone who can make an impact for Apparo, and knowing the impact they make for the community, is something very special. *“ The secret of Apparo's success is finding volunteers like you. You were awesome. You gave us so much of your time, visited our sites and always followed up. Even after the project was over, you answered my questions. I felt like you really cared.” - Sam Fleming, Executive Director, 100 Gardens*
