## PRICELESS SUPPORT

## Uplifting underserved youth in West Charlotte from a life of adversity

**Problem:** Lack of consistency for file storage at A Better World caused decreased efficiency and lack of staff collaboration

**Solution:** Through the SharePoint Project, the volunteer team was able to provide A Better World with a SharePoint site and training that will increase collaboration and efficiencies for the organization.

**Nonprofit Team:** Taylor Justice

**Charlotte Network Volunteer:** Corey Aurandt

## ANTICIPATED COMMUNITY IMPACT

- **Time savings of 400+ hours** annually for staff, a value of \$10,400
- Improved **ability to grow their Reading Buddies program eight-fold** (from 8 to 67 students)
- Efficiencies gained allowed ABW to **combine staff positions** and reduce number of new hires required by from 2 part time to 1 part time
- ABW has **critical donor data readily available** allowing for the potential to increase revenue from current and potential funders.

**A PRIVILEGE TO USE TECH SKILLS IN THIS WAY**
